LADY SYBIL DEFEATS THREE DERBY CANDIDATES

LITTLE MIRACLE BEST

Outgames Sgt. Byrne in Thrilling Stretch Duel at Jamaica.

St. Albans Handicap Two-Horse Race Throughout—Monument and Drawbridge Win.

JAMAICA, N. Y., April 19.—In the most thrilling finish of the Jamaica meeting, Mrs. E. Graham Lewis' filly, Little Miracle, scored a fighting victory over John Simonetti's Sgt. Byrne in the St. Albans Handicap, the feature of the Monday racing. It was not until a photograph was referred to that the daughter of Bud Lerner was awarded the purse and far back of the battling pair Louis Strube's good mare, Rust, was an easy third before R. A. Moore's Thursday.

With the most delightful weather since the opening of the season, a big crowd was out for the sport and the racing furnished was well received.

Sgt. Byrne had started in the Paumonok Handicap the opening day and was rather unfortunate in that race; as a result he was the choice for the St. Albans after the withdrawal of Snark, Blind Pig and Cycle, but Little Miracle, making her first start of the season, had steady support.

TWO-HORSE RACE.

It proved a two horse race, for early in the running Sgt. Byrne and Little Miracle drew away from the others, and for every foot of the six furlongs they went along closely lapped. Sgt. Byrne had the inside position and in the early stages Stout had him under slight restraint, but Wall also had a nice hold of Little Miracle as she went along stride-for-stride with the son of Stimulus.

It was after leaving the back stretch that Rust made a determined rush on the inside and for an instant threatened to join the leading pair, but as she moved, the other two extended themselves and the real race was on. In the stretch the fight continued and until inside the final sixteenth Sgt. Byrne still had his head in front, but right at the end the filly proved the gamest and it was her nose that was first past the line. The old son of Stimulus had given up his last ounce, but it was not enough.

Rust had no trouble holding third place, though four lengths away, and then came Thursday, which was plainly not in his element racing six furlongs, although he was going well at the end.

DRAWBRIDGE WINNER.

Jim Fitzsimmons sent out three fillies for the Briarwood Purse, a dash confined to three-year-olds of that sex, and it was Drawbridge, from the Wheatley Stable, that won, while both William Woodward's Lucky Pledge, the sister to Gallant Fox, and Dizzy Dame, which races for Howard W. Maxwell, finished outside the money. The place went to Joe W. Brown's Jewell Dorsett, which was raced at the Fair Grounds in New Orleans during the winter, far back of the daughter of Cohort. F. Lander's Phlox, a Florida winter campaigner, took third.

Mixed Weather, an unsexed juvenile son of Jack High and Equinoctial, racing for George D. Widener, his breeder, was winner of the opening five furlongs dash. It was the first appearance of the youngster and he

POMPOON'S LATEST WORK

NEW YORK, N. Y., April 19.—J. H. Louchheim's Pompoon was breezed a mile and a furlong eased up in 1:59⅗ over the training track at Belmont Park during the morning. The colt had his weight up and was under restraint all the way. The fractional time was :13, :26, :39, :52, 1:04, 1:17⅖, 1:32, 1:45⅖, and up in 159⅗. Trainer Clarke stated that the colt was in perfect shape and would face the starter in the Wood Memorial on Saturday, May 1. The brilliant son of Pompey won the Paumonok Handicap, his first start of the year.

PLANNING AURORA CAMPAIGN

Jose Marrero, Cuban Rider, Still Needs English Interpreter.

Starter's Instructions to Island Jockey Must Go Through Mojena, One of His Countrymen.

AURORA, Ill., April 19.—Jose Marrero, the little Cuban caballero, who ranks fourth in the national jockey standings, and Henry Hauer, an Illinois youngster who rode his first winner here last season, will try to improve their standings during the forthcoming Aurora meeting, which opens for a nineteen-day stand May 1.

Only last week Hauer and Marrero changed places in the national race when the former, riding in top form in Texas, passed the Cuban, who is at present taking a short vacation on his native island. But when they resume their battle for top ranking nationally at Aurora, only a few winners will separate the pair.

It was at the Fair Grounds early last winter that Marrero was astride his very first winning mount. As a matter of fact, he had but nine victories to his credit at the end of last year. But Marrero in 1937 was another rider, and by booting in fifty-six winners during the first three months, he took top honors for all riders who were in action during the New Orleans stand and also rose to a position second only to "Buddy" Neal in the national standings. Marrero now rates fourth, for Hubert Le Blanc and Hauer passed him while the Cuban was idle.

CAN MAKE 105 POUNDS.

Marrero can make 105 pounds and is in such demand that he has been up on more mounts than any other rider in the land this year. He is under contract to the stable campaigned by Mrs. C. C. Winters of Detroit, one of the earliest arrivals at the Fox Valley

MAIN MAN IN GOOD WORKOUT

Respess Derby Candidate Gives Another Sample of His Speed in Trial at Keeneland Park.

LEXINGTON, Ky., April 19.—Main Man, the Kentucky Derby prospect of Jerome B. Respess, which has been training in impressive fashion over the Keeneland course, gave another sample of his ability yesterday morning when he went a mile in 1:40 handily and was eased up the mile and a furlong in 1:54.

With jockey Robert Dotter in the saddle and under the watchful eyes of his owner and trainer, B. F. Eyerman, the son of Hildur and Rose Mist began running at the final post of the mile and one-sixteeenth track and worked around to the mile post.

Full of run, Main Man went the first quarter in :23⅗, after which he settled down to an even pace and reached the half mile in :48 and the three-quarters in 1:13⅗. After finishing the mile in 1:40, under steady handling, Main Man was eased up gradually.

HANDY GALLOP.

This morning, J. J. Greely, Jr., trainer of the Shandon Farm Stable here, sent Burning Star three-quarters in 1:14, the son of Burning Blaze moving in handy fashion. He was timed the opening quarter in :23⅘, the half-mile in :47⅗, and the five furlongs in 1:00⅗.

Dellor, the J. W. Parrish Derby candidate, went three furlongs in :36⅗, probably in preparation for a longer move tomorrow.

The track was in fast condition for both training periods, although a slight amount of rain fell last night. Clear weather prevailed this morning.

Milky Way Farm Stable Expected at Louisville

Reaping Reward Heads Mars String Due From Arlington Downs

Arrival of Kentucky Derby Future Book Second Choice Increases Interest in Big Race.

LOUISVILLE, Ky., April 19.—Interest in the preliminary training here of candidates for the Kentucky Derby, to be run at Churchill Downs on May 8, is expected to receive impetus with the expected arrival late this afternoon of the Milky Way Farm's Reaping Reward, currently the second choice in the future betting on the race to J. H. Louchheim's Pompoon.

Reaping Reward was to head a shipment, which included four other Milky Way eligibles for the Downs feature—Case Ace, Military, Murph and Jaw Breaker. In all, twenty-nine horses comprise the shipment, which was to come from Arlington Downs, where, on Saturday, the Milky Way Farm's Kentucky Oaks nominee, Mars Shield, won the Texas Derby. The horses are trained by Robert McGarvey, and, under his direction, they performed with credit during the winter in California and at Arlington Downs this spring.

TRAINING IMPRESSIVELY.

Reaping Reward, which has been training impressively at the Texas course, has not faced the barrier since he raced to victory in the Kentucky Jockey Club Stakes at Churchill Downs last fall. This son of Sickle last year also won the New England Futurity at Narragansett and the United States Hotel Stakes at Saratoga and his total earnings as a two-year-old totalled $56,965, a figure which was second only to Pompoon's among the juveniles of 1936.

Two of the more important Derby hopefuls quartered here, Mrs. F. H. Furst's Gerald and Col. H. Maxwell Howard's Sceneshifter, were seen in useful mile spins over a fast track this morning. The former went the distance in 1:42⅖ and the latter three-fifths of a second slower, although except for the fraction of a second difference in their times, there was little to choose between the two works.

Gerald, working under the direction of trainer B. B. Williams and accompanied for a time by Flying Breeze, went the first quarter in :24, the half in :49 and the three-quarters in 1:15⅖. Flying Breeze was driving to go the eight furlongs in 1:44⅘.

SANDE'S CHIEF RELIANCE.

Sceneshifter, accompanied by Fencing, also eligible for the Derby, was under stout restraint through his work while Fencing was being urged to go the full distance in 1:43⅕. Their fractions were :24⅘, for the quarter, :49⅘ for the half mile and 1:16⅖ for the six furlongs. Trainer Earle Sande was well satisfied with the effort of Sceneshifter, which is his chief reliance in the $50,000 special.

Followers of Derby horses had their first view of I. J. Collins' Bernard F. in some-

FILLY PAYS LONG ODDS

Flying Cross, Odds-On Favorite at Keeneland, Among Unplaced.

Que Gato Disqualified After Finishing First in Third Race—Patronage Pleases Management.

LEXINGTON, Ky., April 19.—Three Kentucky Derby eligibles, among them the highly regarded Flying Cross from the C. V. Whitney stable, were defeated in the Dixiana Purse, which featured this afternoon's Keeneland program, offered under sunny skies and over a fast track, the winner turning up in Lady Sybil, a daughter of Pharamond II. and Lady Sylvia, from the Elmtree Stable of J. G. Lang, Buffalo patron.

Under the guidance of Charles Stevenson, Lady Sybil ran the six furlongs in 1:12, to win by four lengths over the Valdina Farms' Solar Hawk, as Shandon Farm's Gold Flag was another head away in third place. Gold Flag and Teddy Green were the other Derby hopes in the field of eight three-year-olds.

Overlooked in the wagering, Lady Sybil had the speed to lead most of the way, drawing away in handy fashion in the stretch when hard ridden by Stevenson. In the first quarter, she had to repel Gold Flag's bid and continued to lead that colt by a narrow margin in the run around the turn.

ROMPS TO VICTORY.

Upon reaching the stretch Lady Sybil was roused and responded in willing fashion to move away from her company to win almost as she pleased. Gold Flag tired in the final furlong, where Solar Hawk came fast on the inside to get secondary honors in the final few strides. Teddy Green came from last place with a rush to be fourth as Tedall was fifth.

Flying Cross, which had been training right along with Black Look, a winner Saturday, at the Whitney farm, was made an odds-on favorite. He broke well and then dropped back. Leaving the back stretch, "Sonny" Workman stung him with the whip, but the Pennant colt failed to respond and dropped back to last place, where he finished.

A sharp decline in the attendance over Saturday was noted, but the patronage was very pleasing to the management. Perfect conditions prevailed, although the track was visited by a slight shower last night.

TWO FOR STEFFEN.

Earl Steffen, who rode the opening winner Saturday, came right back to guide Hermana to victory in the first race. The daughter of Bull Dog and Loves Dream came from behind in the stretch to defeat High Maria by a length as Pull Cord was another length and a half away.

Hermana was away fast and was kept within striking distance of High Maria until after reaching the stretch, where she moved up in game fashion to take the lead in the final sixteenth. The latter attempted to bear

(Continued on twenty-second page.)

STOUT TO RIDE SCENESHIFTER

Earl Sande Engages Jockey Who Was Thrown From Granville in Derby Last Year.

LOUISVILLE, Ky., April 19.—Jimmy Stout, who is probably the only rider ever to fall from a mount at the start of a Kentucky Derby, has been engaged to ride Col. H. Maxwell Howard's Sceneshifter in the sixty-third running of the $50,000 fixture at Churchill Downs on May 8. This was confirmed by former jockey Earl Sande, who now trains the Howard horses.

Stout was thrown when William Woodward's Granville almost went to the ground at the start of last year's Derby, which, however, was no fault of his own.

Engagement of Stout seems to indicate that Sceneshifter is a definite starter in the Derby, barring mishaps, and, being trained by one as able as Sande, who in his riding days piloted three Derby winners, may have a stanch following.

McGarvey Saves His Derby Aces

Filly Good Enough to Win Texas Derby

Whopper Recovers Winning Form

Keeneland Off to Brilliant Start

With Robert McGarvey, the Wilky Way Farm trainer, confident that Mars Shield was capable enough to win the Texas Derby, he failed to enter Reaping Reward and withdrew Military at the last minute. He had the race figured correctly and the daughter of Diavolo and Escutcheon conquered her seven opponents in clean-cut fashion. With Reaping Reward and Military both out of the event, it had no bearing on the Kentucky Derby, other than to eliminate Heelfly as an important candidate. The speedy colt from the Three D's Stock Farm set the pace until well into the stretch of the mile and a furlong contest, but he was unable to match the challenge of the Milky Way filly, which is not eligible to the Kentucky Derby. Mars Shield does not begin to hold the same high status as Reaping Reward and Military in Mrs. Ethel V. Mars' establishment.

Reaping Reward and Military were not held out of the Texas Derby because of anything being wrong with them, but they are being depended upon to give the Chicago sportswoman her first victory in the Kentucky Derby, and McGarvey just did not care about taking any chances with them as long as he was positive in his belief that Mars Shield was good enough to take the $10,825 Arlington Downs fixture.

The entire stable is moving to Churchill Downs, where the two colts will be whipped into shape for the Blue Grass classic. McGarvey had Reaping Reward, which had wintered at the farm in Pulaski, Tenn., in good enough condition to start Saturday if necessary, while Military had campaigned at Santa Anita during the winter and had been kept close to racing edge, and McGarvey should not encounter any difficulties in bringing them to their May 8 engagement.

Occasioning a slight surprise was the victory of Whopper in the Philadelphia Handicap at Havre de Grace, after he had failed to threaten in the Harford Handicap on Monday over the six furlongs distance. The Hal Price Headley giant had been pointed for the Harford, but he didn't have his lick in the sprint. However, in the Philadelphia, in which he was ridden by Harry Richards, the five-year-old son of Pharamond II. and Romance went right to the front and shook off several challenges to score by a head over New Deal, to which he was conceding a dozen pounds. Whopper was the top weight among the eight starters, with 122 pounds. It seems probable that Whopper required seasoning over the Havre course before putting forth his best effort, but in winning the Philadelphia he looked more like the Whopper of early last season, it being his first victory since the Hialeah Inaugural Handicap.

Richards, whose mounts won more money in stakes last season than those of any other jockey, appears headed for similar distinction this year. He already has the country's richest race to his credit in guiding Rosemont to victory in the Santa Anita Handicap, and since returning east has won the Paumonok Handicap with Pompoon and the Southern Maryland Handicap with Calumet Dick, as well as the Philadelphia with Whopper. He is due to have the mount on Pompoon in the Wood Memorial and Kentucky Derby, and Matey in the Preakness, and by keeping up his good work he should not want for capable mounts in other important stakes. Except for Matey, the stable of Mr. and Mrs. Walter M. Jeffords, which has his contract, has no outstanding candidates for the early stakes, so he is available to such outside opportunities as are offered by Pompoon and Whopper.

That Keeneland will have the success hoped for by its sponsors is indicated by its

WENT TO POST—2:01½. AT POST—1 minute.

Start good and slow. Won driving; second and third the same.

HERMANA, away fast and having good speed, was forced wide when responding to pressure after reaching the final eighth and, wearing down HIGH MARIA, drew out fast in the closing strides. The latter rushed into the lead on the inside, swerved out badly entering the stretch and, tiring after three-eighths, failed to withstand the winner. PULL CORD, well up from the start, secured room on the inside in the final quarter and held on well. HOUSEKEEPER closed resolutely in a good effort. BREEZY FLAG raced evenly. PETE'S NIECE lost much ground. LADY GAYHEART was in close quarters shortly after the start. STAR MIRMAID and BRACYE JACKSON began slowly.

Start good and slow. Won easily; second and third driving.

LADY THATCHER, rank at the post but away fast, swerved to the inside before drawing clear in the first eighth, was steadied on the turn and came away rapidly while under mild urging in the closing three-sixteenths. PATSYETTE, on the inside throughout but slightly taken back soon after the start, rallied mildly when strongly shaken up after reaching the stretch, but tired near the end, yet outstayed ENTREE. The latter lost ground in the final three-eighths, but held on fairly well. FOR ROMANCE tired after showing good speed to the stretch. MARIE JEAN began slowly, saved ground where possible, but never threatened. BRILLIANT STONE had no mishaps.

Corrected weight—Cohort Girl, 111.

WENT TO POST—3:00. AT POST—1½ minutes.

Start good and slow. Won ridden out; second and third driving.

QUE GATO, going in her best form and rushed into command, was taken under steady restraint on the turn, swerved when strongly urged in the final eighth and lasted to win with little left, but was disqualified for blocking VICTORY MISS near the finish. The latter, lucky to secure room on the inside throughout, improved her position gradually after about three-eighths, was going with good courage when blocked and may have been best. BARBARA J., taken back several times, swerved badly on the turn and, coming with a rush in the final quarter, was going strongest at the close. MISS WISE had speed, was well rated, but tired slightly in the last eighth. MISS LIZZIE dropped back on the turn, rallied mildly soon after reaching the stretch, but faltered near the close.

JESSIE O., away well, took command under vigorous riding, was steadied around the stretch turn, swerved out before straightening away in the stretch and held REBEL FLAG safe. The latter, a strong factor from the start, closed with determination under good handling, but did not seriously threaten the winner. SUNBERRA, fractious at the post but away fairly well, began to improve its position after a quarter and was going well in the final stages. SOUND WAVE swerved sharply to the inside on the stretch

Winner—B. c, by Sun Beau—Dark Victory, by Traumer (trained by M. M. Harrison; bred by Mr. W. S. Kilmer).

WENT TO POST—3:50. AT POST—1 minute.

Start good and slow. Won driving; second and third the same.

SUN VICTORY, away slowly and rushed into contention, responded to strong urging after reaching the stretch and outfinished WESTY'S HERO. The latter, a strong factor from the start, disposed of CAPT. JAMES after five-sixteenths, was unable to draw clear and tired near the end. CAPT. JAMES was hustled along from the start, forged to the front nearing the final quarter, but tired in the drive. TRANSVIEW raced evenly. CLAP IN, away fast, bore out badly rounding the far turn, then came again when straightened, but pulled himself up in the stretch. TIGHTMOUTH was outrun. BOBBRAX was done after five-sixteenths. FRITZ W. bore out in the stretch.

Scratched—40001^{3}Red Hay, 116.

MAURITIUS broke fast and outran his field to the first turn, was rated along steadily and responded to urging and then won in a drive. VAN NUYS, away well and under restraint in the early running, moved up on the inside rounding the stretch turn, was taken up and steered to the outside and closed on his own courage. CHILCA, in nearest pursuit of the early pace, came to the outside of MAURITIUS entering the stretch and then faltered. L'ETOILE broke with the leaders, but could not maintain her position. STARWICK reared and PATTI wheeled at the start and chased after the leaders, but were not persevered with.

LEADING AMERICAN TRAINERS

Hirsch Jacobs appears to have gone into a safe lead in the race for leading training honors of the year. He saddled two winners during the past week and is now three winners ahead of Michell, who, of course, is inactive due to his suspension by the Florida Racing Commission. Jacobs now has a total of forty-three winners. Ben Jones has moved up to third place in the standing, sending three winners to the post during the aforementioned period of time. E. H. Beezley is next in line with twenty-four to his credit, while G. E. Alexandra and P. Bieber are tied for fifth place honors with twenty-two winners each. Following is a list of the leading American trainers, together with their racing records, for the period of racing from January 1 to April 17, inclusive:

KEENELAND PARK NOTES

A division of August B. Letellier's stable, transferred here from Churchill Downs, includes Black Coat, Miss Canary and Shatterproof.

Ike Weil sent four horses here from Louisville. Heading the quartet is the Kentucky Derby eligible My Grandson. The others are Tomye, My Chickadee and Judge Hasten.

Glint and Dulcimer, from the stable of Keene Daingerfield, were other arrivals from Churchill Downs.

In addition to Surveyor and Barbara J., which have been here for a week, C. N. Finch sent the old campaigner Pat C. here from Louisville.

John O. Whitlow, veteran Kentucky turfman, starts the season with a likely young prospect in Woodsaw, a chestnut son of Cherokee and Petite.

Frank Podesta, Memphis patron whose horses are in the care of Moody Jolly at Churchill Downs, was in Louisville over the week-end, but returned for Monday's racing. George A. Burke, Cleveland turf enthusiast whose horses are also in the Jolly barn, is here for the meeting.

In addition to the Kentucky Derby candidate Main Man, B. F. Eyerman is training Black Arrow, Gorgeous Lady, Snow Fairy and four two-year-olds for Jerome B. Respess, master of Highland Farm. The juveniles are Very Busy, a half sister to Main Man; Busy Morn, Good Sign and Ice Queen.

Visitors for the second day of the meeting included Mose Goldblatt, the veteran Cincinnati turfman, motoring from Louisville after the morning training of his string at Churchill Downs.

Dr. W. E. Coover, official track veterinarian for the racing commission, was in Louisville over the week-end.

LEADING AMERICAN JOCKEYS

Billy Neal moved within five winners of the century mark in number of winners ridden this year when he piloted four winners last week to make his record ninety-five. Neal is at the top of the list of the American riders, with a big lead over H. W. LeBlanc, with J. Marrero in third place. Neal also boasts of the good average of .23. Three riders tied with six winners each for last week's riding honors, Charley Kurtsinger being highest on the list followed by S. Roberts and W. L. Johnson, Following are the records of the thirty leading American jockeys from January 1 up to and including the racing of last Saturday.

STAGE BEAUTY, away swiftly and having good speed, shook off LOW CUTS after a half mile, continued stoutly and held HERALDIC safe. The latter raced close to the leaders from the beginning and fought it out willingly under punishment in the final drive. LOW CUTS offered stout contention for a half mile and then tired under stout pressure. MICRO made up ground slowly in the closing stages. BERTILLON could not enter contention. MADAME WALTER tired. HAPPY CHASE was badly blocked all during the stretch drive and could not extend herself. MISS SIS was outrun. LOCAL BOY was shuffled back immediately after the start and was never prominent thereafter.

Start good and slow. Won driving; second and third the same.

BALLY BAY displayed speed to move into a clear lead, saved ground throughout and had enough in reserve when roused in the final eighth to stall off WANDREL. The latter was very slow to settle into her stride, circled her field in the last five-sixteenths and finished full of run. TROSTAR bettered his position steadily and came gamely in the closing drive. ACAUTAW was hurried into a contending position at the turn while saving much ground, but was pinched off at the stretch turn, then was held safe. SQUARE PLAY tired after making a stout bid at the turn. MISS ADELINE lacked speed and was held safe. CHERRY STONE quit badly, as did HAPPY HOST.

LADY MARYLAND gained a short lead soon after the start, withstood stiff contention from CARE FOR and MY ELSIE, rallied to a severe drive in the late stages and came clear slowly at the end. CARE FOR followed close to the winner, made repeated efforts, but was not good enough. MY ELSIE was hustled hard and, racing on the outside of the leaders, faltered in the last eighth. FLYING DERE, reserved back of the leaders while racing close up in the first three-quarters, swung to the outside when engaging the leaders and, finishing dterminedly, was up in the last strides. ICY WIND raced into a short lead, was steadied until challenged, then held on courageously when the real test came. FELWYN was close up, made several bids and fought it out with excellent courage at the end. GOLDSPRAY was rushed up fast on the inside to enter contention, but was used up and tired in the closing drive. ELEANOR C. could not threaten. TIANA, away well, dropped back immediately and could not menace. KALEIDA showed speed for three-quarters. SUNDROPS was done early.

WENT TO POST—4:51. AT POST—½ minute.

Start good and slow. Won ridden out; second and third driving.

BOOTLESS was sent to the outside to enter contention at the turn out of the back stretch, wore down TREFORD in the last quarter mile and was kept under steady pressure and had enough in reserve to withstand BROWN TWIG. The latter was rated off the early pace, responded gamely when put to a drive and finished with good energy. TREFORD was under slight restraint while following close to the pacemakers, moved into a short lead at the final turn, but tired steadily when reaching the stretch. HER REIGH was used up racing with GENIE PALATINE and tired. GENIE PALATINE had no excuses. BLACK BOO was overmatched, but showed a good performance

Overweight—Bootless, 1 pound; Black Boo, 1½.

SWIFTLET opened up a commanding lead after overhauling RUNNING WATER midway of the back stretch, saved ground all the way, but had to be shaken up vigorously to stall off ROLLICK. The latter, slow to settle into his stride, weaved his way between horses to reach a forward position and closed stoutly. INFILEE was far back for three-quarters, circled her field and finished stoutly. SIR REG closed a good gap after being slow to settle into his stride. COPPER TUBE could not enter contention at any stage. FEZ, prominent for seven-eighths, tired in the late stages. PASS raced evenly. RUNNING WATER tired early. BIRD LORE had no excuses. HOLLAND quit badly.

BRAVING DANGER, under stout restraint until leaving the back stretch, moved up stoutly when called upon, disposed of HOLLYHOCK in the stretch and was kept under pressure to the end. HOLLYHOCK, rated back of the pace of the leaders, moved up quickly to take a short lead on the far turn, but could not withstand the bid of the winner. DUTCH UNCLE, slow as usual in the early stages, finished with good speed. MINTON moved up to enter contention after three-quarters, but tired at the end. PAUL JEANS DIES IN AUTOMOBILE ACCIDENT

MIAMI, Fla., April 19.—Funeral services for Paul G. Jeans, editor of the Miami Tribune, and M. Victor Miller, attorney for that newspaper, who were killed Sunday afternoon in an automobile accident on U. S. Highway No. 1, twenty miles south of St. Augustine, Fla., will be held Tuesday morning at the Nicely Funeral Home, Miami Beach.

The two men were returning to Miami from Tallahassee, where they had been observing legislation in which the Tribune was interested. It is believed Jeans' car skidded as the brakes were applied suddenly to avoid hitting one of a number of cattle which graze along that section of the highway. In trying to right the car, it swerved in front of another machine driven by Mrs. Edward Morr, of Cincinnati, Ohio. Her husband, a retired grocer, was killed, and his wife injured. Miller was killed instantly, and Jeans died in the St. Augustine Hospital an hour later.

PALLBEARERS.

After the services the body of Jeans will be shipped to Jacksonville for cremation, while Miller's body will be buried in Woodlawn Park Cemetery here. Among the pallbearers will be M. L. Annenberg, publisher of the Miami Tribune; Walter Annenberg and many old friends and associates interested in the growth and development of that publication during the two and a half years Jeans directed its editorial policies. Jeans was formerly editor of the New York Racing Form.

Jeans, 41, was born in Chicago. He entered the public schools of that city and graduating from Lake View High School, he later earned his way through the University of Chicago by working in the college library. Rejected by the United States Army at the outbreak of the World War because of faulty eyesight, Jeans then became a correspondent for the Hearst Chicago papers at Camp Grant.

RIVERSIDE'S HORSE COLONY

KANSAS CITY, Mo., April 19.—While the meeting is still six weeks away, there are approximately 200 horses on the grounds, and reservations are on hand for 400 more. NARRAGANSETT STAKES CLOSE

Seven Rich Races on Program for Pawtucket's Spring Meeting.

Entries Received From All Sections of the Country—Sprint Race Feature of Inaugural.

PAWTUCKET, R. I., April 19.—The stakes for Narragansett Park's spring meeting closed Thursday of this week, and as usual, last-minute nominations flooded the racing secretary's office. Seven important stakes are spread throughout the nineteen days scheduled and of nominations already to hand, representations are especially strong from the Southwest—Kentucky, Maryland, and New York.

Featuring opening day is the Narragansett Handicap, a sprint affair for three-year-olds and over, with $3,500 added. The Jeanne D'Arc Stakes, a four and one-half furlongs event, with $2,500 added, set for Wednesday, May 5, gives New Englanders their first view of the best juvenile fillies of the season so far.

The King Philip Handicap, set for Saturday, May 8, with $5,000 added, will see the best three-year-olds and upward racing over the popular one mile and a sixteenth route. Three-year-olds will hold the spotlight on Wednesday, May 12, when they travel one mile and a sixteenth in the Providence Handicap, for $2,500 added.

The Governor's Handicap, a $5,000 stake, to be run Saturday, May 15, over the gruelling mile and an eighth route, has always attracted a select band of handicappers. Three-year-old fillies get their biggest test of the Spring season Wednesday, May 19, in the Betsy Williams, $3,000 added, when they are sent over the one mile and seventy yards route.

The best juveniles of the New England section will troop postward Saturday, May 22, in the $5,000 Old Colony, an allowance affair with the distance stretched out to five furlongs for the first stamina test of the year.

BEULAH PARK TURF NOTES

Arrival of three carloads of horses over the week-end from New Orleans boosted the roster of thoroughbreds that are awaiting the spring meeting at Beulah Park to over the 200 mark. In addition, there are a number of horses in private stalls in neighboring Grove City prepping for the twenty-five days of racing which opens on Saturday, May 15.

E. B. Shipp is on hand with the good stable that races in the colors of Mrs. Shipp. Headed by Irene's Bob, the stable scored thirteen victories in the recent meeting at the Fair Grounds. Porter Call, Bunty Ann, Agreeable, Morley Firth, Barcardi Sweep and Joe Jay are others in the string.

Henry Torriente has brought in five horses, Revelstoke, Rizla, High Santa, Broadway Girl and I Pass, and has gone to Cuba for four more.

Stables of the Ohio trainers, Dr. E. E. Watson of Mt. Vernon and John Winans of Spencer, have arrived at the course, as has that of Jess Burks.

H. B. Kelly is training a string of two- and three-year-olds for Mrs. Kelly and for C. L. Templeton of Ft. Lauderdale, Fla. For the latter he has Scout Girl, a two-year-old, by The Scout, and Count Maurice, a three-year-old son of Reigh Count, which were purchased from Mrs. John Hertz in Florida, and Ucanmaykit, three-year-old, by Petee-Wrack, secured from Victor Emanuel.

Step Rosie and Blue Flamme, fillies by Stimulus, Concerto, daughter of Polymelian, and Blue Ebony, gelded son of Flying Ebony, are two-year-olds that are being trained for Mrs. Kelly, along with Galiente, three-year-old filly, by Gallant Fox. These latter five wintered at the Mt. Sterling, Ohio, farm of Dr. R. H. Gittins.

Albert Page, ninety-seven pound apprentice boy from New York City, and jockey Glen Haines will do the riding for the Kelly stable.

Rollie Shepp will race for his own account the four-year-old Dark Wizard, and Mint Flavor and Idealistic, three-year-olds. He brought the trio to Beulah Park from Florida.

MILKY WAY FARM STABLE EXPECTED AT LOUISVILLE

(Continued from first page.)

thing more than a gallop Sunday morning when he breezed five furlongs for his first real work since arriving here from Florida. Collins and a party of friends motored here from Lexington, where they attended the opening at Keeneland and watched the home-bred son of Sun God II. go through his paces, and they were well pleased with the move.

Breaking at the five furlongs post with Debate, a stablemate, Bernard F. was timed for the five-eighths in 1:03⅕, and at no time during the spin was he extended. He went out three-quarters of a mile in 1:18. Debate managed to keep up with the Derby nominee for about three furlongs, and then began to drop back, its time for the five furlongs being 1:04.

TO RESUME TRAINING.

Bernard F., which was given a brief respite after his victory in the Tropical Park Special, can be expected to continue with his regular training program from now until he fills his intended engagement in the Derby.

Earl Sande had the two H. Maxwell Howard nominees, Sceneshifter and Fencing, on the track for short spins in preparation for longer works later. Keeping abreast of each other they went three furlongs in :37⅗, the quarter in :24⅗.

Bernard F.'s fractions were :25⅖ for the quarter mile, and :51 for the half.

Although the weather was pleasant Sunday and the track fast, it was not work day for the remaining Derby candidates here, and they indulged only in slow gallops.

One of the biggest crowds of the spring was out to view the activities, and they saw few Derby candidates in action. Plenty of others were out to hold the attention of the visitors, however.

RIVERSIDE PARK NOTES

D. Redfield, Independence, Mo., sportsman, who first joined the owners' ranks last year when he purchased Hocking and Virginia J., has assembled a fairly large stable and has taken up quarters at Riverside. In the Redfield stable are Hocking, Dux, Wazay Flag, Wazay Greenock, Sleepy Gal, Wazayata, and My Valley. The latter is a good looking two-year-old by Noah—Sweep Sora. At present Mr. Redfield is negotiating for the purchase of two three-year-olds from a Kentucky owner.

The veteran jockey, Steve Holecko, was an arrival from Hot Springs. Holecko, who joined the owners' ranks last year, lost his one horse via the claiming route and plans a come-back in the saddle this year.

Felix Rando, who campaigned his stable at the Fair Grounds last winter, was an arrival from that point with Whitharral, Ruffday, and Forceful.

Jockey Willis Brown, who rode with good success here last fall, is galloping horses daily at Riverside. Brown, who put on much weight during the winter, is rapidly reducing, and by the time the meeting opens expects to scale about 108 pounds. Brown performed one of last year's outstanding riding feats when he rode the first four winners on the card here October 2.

C. N. Kinsley, with Canteron and Empress Yvonne, was an arrival from New Orleans.

Levaal and Lady Laura, which will carry the colors of T. Hunt here, arrived from New Orleans. Other arrivals from New Orleans during the past few days were T. Fowler, with Talvores, Thistle Kay ,and John Driskill; G. Doyle, with Peter Dixon and Chi-Gal; J. Singleton, with one horse, Vin Noir; L. Richard, with Bubble Up, and J. Hall, with Bad Axe and Husker B.

Alrose, a splendid looking two-year-old by Almadel, from the six furlongs Canadian record-holder Miss Rosedale, has all the earmarks of a fine prospect. Alrose has a nice way of going, and his owners, Lewis and Kemp, are not hurrying his preparation too fast.

Paint will be applied freely to the grandstand and surrounding buildings this year as the contract of painting the buildings has been awarded, and it is expected that next week a full crew of painters will be on the job.

Carpenters who were working on the barns the past few weeks have completed their work; consequently, all barns are now ready for occupancy.

HAVRE DE GRACE NOTES

The Araho Stable horses, consisting of New Deal, Mucho Gusto, Araho Lass, Jackie D. and others, were shipped to New England early Monday morning.

Mike Grant reported the arrival of a foal from the mare Lady Zeus, which was bred to Canter. Lady Zeus will go to the court of Bud Lerner.

H. G. Bedwell, trainer of the A. C. Compton stable, expects to enter one of the Baltimore hospitals in a few days for an operation.

J. W. Bolgiano has entered the racing ranks with the juveniles Broken Rhythm and Chilotta, which were bred at the farm of Frank A. Bonsall, Jr. Both youngsters are sired by Chilhowee.

KEENELAND PARK NOTES

The home-bred juvenile filly Oconee and the four-year-old Calera, a daughter of Kai-Sang, are the only horses owned by J. C. Milam in training at this time. They are being handled by J. P. Sallee. Oconee is a chestnut daughter of Whiskalong and Anna M. Humphrey, the latter a splendid performer under the Milam colors about fifteen years ago.

COLONEL ED, never far from the pace and racing well, responded gamely to urging in the stretch to finish fast and caught LADY FLORISE in the last stride. The latter saved ground in the early stages and caught KENTUCKY BLUES fifty yards out to take a short lead, but could not hold the winner. KENTUCKY BLUES raced to the front in the stretch and cut to the rail to shut off FAIR LEAD, but tired near the end. FAIR LEAD showed good speed in pacemaking and was tiring when KENTUCKY BLUES cut in front of him in the stretch. The others were always outrun.

SEABISCUIT raced to the front soon after the start, was taken in hand after racing to a good lead rounding the first turn and, given a breathing spell around the far turn, was never fully extended and won well in hand. GRAND MANITOU moved up fast between horses after leaving the back stretch and, standing a hard stretch drive gamely, bested SOBRIETY. The latter made his move with GRAND MANITOU and finished with courage. SPECIAL AGENT lacked his usual early speed, but made a strong move after leaving the back stretch, only to tire in the final drive. DON ROBERTO was off rather slowly and made a good move approaching the far turn, but quit when put to a drive in the stretch. SIR ORACLE was closest to SEABISCUIT for the first half mile, but dropped back when the real racing began. INDIAN BROOM stumbled right after the start and, in close quarters while racing up on DON ROBERTO'S flank going to the first turn, went to his knees and almost unseated his rider, losing all chance and just galloping far back of the field thereafter to be pulled up in the stretch.

ZEVAR was permitted to drop far back in the early stages and closed with a belated burst of speed. ALICE BYRD was prominent to the stretch, then tired and pulled up lame. MY BOSS, well rated in the early running, came gamely when urged to wear down MELODY LANE and HOUR RAP in the stretch. MELODY LANE was close to the pace all the way and raced in courageous fashion to the finish. HOUR RAP made a strong move after entering the stretch and got to the front an eighth out, but tired near the finish. MERELY raced forwardly and led briefly in the early stages, but tired in the stretch. FOOTWORK dropped far out of it in the first quarter and was never dangerous. JOE SAM never threatened seriously.

THREE-YEAR-OLD PROSPECTS OF 1937

SIR DAMION, bay colt, by Sir Gallahad III.—Ommiad, by Omar Khayyam; property of Marshall Field. On breeding alone Sir Damion is rated highly, his sire, Sir Gallahad III., having two Derby winners in Gallant Fox and Omaha to his credit, while the sire of his dam is a Derby winner himself, and the only imported horse ever to win the coveted race.

By NORRIS ROYDEN

George Odom is training Sir Damion and Charing Cross, two sons of Sir Gallahad III., belonging to Marshall Field, which displayed much promise in their few races as juveniles. Sir Damion, whose dam is Ommiad, by Omar Khayyam, is preferred as the better prospect for distance running, as well as on the fact that his record last year was more impressive.

A well-made, good-sized colt, Sir Damion was not hurried in his training, making his debut in a maiden event at Aqueduct early in July, but not running again until the middle of August at Saratoga, where he defeated a field of classy maidens over the five and one-half furlongs distance, his time being 1:06⅗.

Close to the pace from the start, Sir Damion went to the front in the stretch to defeat Charing Cross by a length and a half as Mosawtre was third and Early Settler fourth. His next outing was in the Hopeful Stakes in which the track was sloppy. A contender from the start the Field colt faltered in the stretch to finish fourth, beaten a dozen lengths by Maedic as Billionaire was second and Tedious third.

Sir Damion's next engagement was an overnight affair of six furlongs at Aqueduct, in which he tired in the final furlong to lose out by two lengths to Flying Cross as he finished ahead of No Dice, Idle Midget and others. The time was 1:12⅘.

For his final preparatory effort for the Futurity the Sir Gallahad III. colt was second most of the way in a dash of six furlongs straightaway, finishing a length and a half back of Optic as Merry Maker took third, with Biologist fourth. Trainer Odom was satisfied with the race and Sir Damion was given his chance in the Futurity.

Under his weight of 122 pounds, Sir Damion was well up from the start of the six and one-half furlongs race, and then leaving the quarter pole he was sent forward to bid for the lead, but Pompoon already was making his run. He went into second place and then weakened slightly in the final few strides to lose second and third honors to Privileged and Flying Cross by very narrow margins, finishing slightly more than four lengths back of Pompoon. The race was run in 1:16⅖, which meant that Sir Damion just failed to hit 1:17.

Not having raced since, Sir Damion has had a good, long rest and should be a fresh horse this spring. He developed well during the winter and starts his new campaign as one of the best-looking members of his division. Being by Sir Gallahad III., from a daughter of Omar Khayyam, Sir Damion is bred like Gallant Sir and Sarada. Further strength is forthcoming from the distaff side of his pedigree, and he may be expected to improve from his two to his three-year-old form as most horses of this type and breeding have done in the past.

Charing Cross started only five times, finishing second to Sir Damion in his first start at Saratoga and then easily taking a dash for maidens. He was soundly beaten in the Hopeful, but after winning an allowance event at Belmont Park he was a starter in the Futurity, entering the final quarter in front only to weaken steadily in the last furlong to finish ninth, about seven lengths back of Pompoon.

He is very much a sprinter in type and trainer Odom doubts if he will stay, even though Charing Cross is from a daughter of Gay Crusader and otherwise is stoutly bred. Charing Cross has been training right along with Sir Damion, and will be given every opportunity to disprove his trainer's contention.

ASHEN FURNISHES AN UPSET

Other Unexpected Winners Turn Up At Arlington Downs.

Springtime Handicap Purse Falls to C. A. Calhoun—Attendance Not Up to Usual Figure—Track Fast.

ARLINGTON, Texas, April 19.—In another of the many surprises that prevailed for the opening of the third full week of the spring season, C. A. Calhoun's Ashen was a handy winner of the Springtime Handicap, fifth and best race offered at Arlington Downs this afternoon.

Mrs. E. H. Bartlett's Zevson was second, a length back of the winner and a head before T. P. Morgan's Sachem, which tired after leading the small field of six to the final furlong of the mile and a sixteenth. Holl Image was fourth and then came Woodlander, which shared favoritism with Zevson and Corum. Ideal weather again was on tap and the track was at its best.

However, the crowd was not up to standard, only a fair-sized gathering being present. The sextet began in fine style, with Zevson first in motion, but the lightly weighted Sachem was soon in command and sprinted into a two-length lead during the run to the back stretch. Robert Vedder had the winner in second place, as they made the turn, and Zevson was showing the way to the others. Sachem steadily increased his margin, but after entering the final half mile, Ashen began to catch him and Vedder had the Calhoun entry in front shortly after reaching the final furlong.

CORUM FOURTH.

Sachem was not ready to give up the task and held on to the final sixteenth, where he tired, and Zevson, under the top impost of 116 pounds, came on to head him in the final stride. Holl Image offered a mild threat leaving the back stretch, but he was forced wide approaching the stretch and was forced to race on the outside of Corum, to lead Woodlander, which was on the extreme inside by a length for fourth honors.

Clap In was a big disappointment in the Blossom Time Purse, for maidens. Capt. James, his stablemate, finished third, but he was no match for Sun Victor and Westy's Hero, which came to the finish a head apart and two lengths before him. After rushing to the front on the far turn, Clap In bore out badly, but after Arthur Craig had straightened him and had him gaining on the leaders, he pulled himself up in the stretch and was a well-beaten fifth. When Clap In became unruly, Capt. James took command, but it was only momentary, for Westy's Hero, which was in closest pursuit, soon took the lead. However, he was unable to draw clear, and Sun Victor, which was always best of the others, came on to beat him in a spirited duel.

CANAVIA GAME.

Semicolon, son of Prisoner and Marie W., graduated from the maiden ranks when he turned back Canavia, Tap Time and eight other plater Texas-bred three-year-olds in the first race. Ridden by L. Lake and under C. B. Daniels' colors, the winner was rushed to the front and although Canavia raced head and head with him to the final forty yards, he proved the gamer and had a half of a length margin at the end.

Another choice was beaten when Coltman finished second to Playmay at the end of the second race. Jessie D. M., which chased the winner from the start, was third. Although fast to begin, Coltman was shuffled back when the speedy Jessie D. M. came over in the first few strides and, forced to work his way forward on the outside, was unable to catch Playmay, which, after making every post a winning one, came to the finish with two and one-half lengths to spare.

Marchline got up to beat Parva Stella by a head in the third race. Amazement, a heavily supported choice, was third, a neck back of Parva Stella. Rushed into contention by Sammy Roberts, Marchline steadily wore Parva Stella down, to be drawing away from her at the close. After being unable to improve her position for nearly five furlongs, Amazement responded in fine style during the last furlong and was going the fastest of all at the finish.

SATISFIED WITH TEST OF "EYE IN THE SKY"

SAN MATEO, Calif., April 19.—William P. Kyne, general manager of Bay Meadows, is perfectly satisfied with the "eye in the sky," and the public will have their finishes recorded re-photo from here on out. The photographic contraption, an invention of Aaron Harvey, of Chicago, was put to the test at the San Mateo track Sunday and came through with flying colors. "Shots" of a couple of pseudo-racehorses and a saddle pony in action were taken from both sides of the track and each camera showed the same horse finishing in front.

It could not be related that the "shots" were taken simultaneously as the cameras were not tripped at the same time. Inventor Harvey explained that the cost of synchronization would amount to several thousand dollars, which is too great a sum for such a test. Nevertheless, the pictures were enough to convince Kyne and his directors that the "eye in the sky" was a useful thing to have around.

MOONTON PLACED AT THE TOP

J. B. Campbell Assigns Son of Chatterton 126 Pounds for Wednesday's Feature at Jamaica.

JAMAICA, N. Y., April 19.—Handicapper John B. Campbell has placed Moonton at the top of the Stuyvesant Handicap, the six furlongs dash for three-year-olds that is the Wednesday feature at Jamaica. The son of Chatterton, that races for H. W. Maxwell, which is also eligible for the Kentucky Derby, is asked to shoulder 126 pounds and under that burden he gives away four to both Forty Winks, from the Greentree Stable, and William H. Gallagher's recent Jamaica winner, Rudie.

The Stuyvesant is a stake that has been revived by the Metropolitan Jockey Club, having had its last previous running in 1924, when Ordinance was winner for the late August Belmont. It has an added money value of $3,500.

LADY SYBIL DEFEATS THREE DERBY CANDIDATES

(Continued from first nage.)

out and Stevenson was busy keeping her straight. Pull Cord moved up on the inside on the turn and then faltered.

Lady Thatcher took the second event with five lengths to spare over Patsyette, which barely lasted to finish second by a neck over Entree. The talent flocked to Lady Thatcher and their anxious moments were few after James got her to the front in the opening furlong. She began drawing away on the turn, and, after being shaken up entering the stretch, the four-year-old daughter of General Thatcher and Lady Braxted increased her margin to such an extent that she was in hand at the end.

Upon the claim of A. Morgan, rider of Victory Miss, Que Gato was disqualified after finishing first in the third race and the principal award went to Victory Miss. Barbara J. was placed second and Miss Wise third.

MORGAN CLAIMS FOUL.

Morgan attempted to bring Victory Miss through on the inside approaching the sixteenth post, but Que Gato swerved in front of her, although clear at the time. The stewards took cognizance of Morgan's claim, however, and changed the numbers to make Victory Miss, an outsider in the wagering, the winner. Que Gato had led from the start, while Victory Miss had advanced gradually while lucky to save ground all the way. Barbara J. closed fast as Miss Wise and Lee Wee weakened. Miss Lizzie was favorite among the seven filly and mare platers clashing at six furlongs.

Jessie O. had too much speed for the eleven other platers in the fourth and she won by a length and a half over Rebel Flag as Sunberra, the favorite, was another two lengths back in third place.

Joe Cowley got Jessie O. away well and she saved ground making the turn, but came out in the stretch, where she held her lead by responding well to urging. Rebel Flag finished well to be second as Sunberra came from the middle of the pack in the final quarter.

OFF-DAY CARD IN MARYLAND

Bootless Breaks Bradley Losing Streak by Winning Feature.

Good Ride by Westrope Factor in Victory of Ft. McHenry Purse Choice—Weather Warm.

HAVRE DE GRACE, Md., April 19.—Bootless, sturdy four-year-old son of Black Toney and Mary Eloise, a product of Idle Hour Stock Farm, broke the long losing streak of E. R. Bradley when he administered defeat to five other shifty middle distance performers which met in the Ft. McHenry Purse for older stayers, which was the principal offering on an off-day program at Havre de Grace today.

Established favorite and expertly ridden by Jack Westrope, the gelding came from behind to take down major honors in a mild drive to beat Mrs. R. H. Heighe's Brown Twig by two lengths, with T. H. Somerville's Treford third before Her Reigh, Genie Palatine, and Black Boo, the only others which could be recruited for the test that was fifth on the program.

SHED TOPCOATS.

Ideal weather conditions, causing many to shed topcoats, was on tap as the second full week of racing began at the Harford County track, and some good entertainment was served, despite the fact that all of the better class horses remained under shelter.

In the Ft. McHenry only a half minute was lost before starter J. F. Milton caught the starters lined up to his fancy, and Her Reigh was first out of the stalls to go into the turn with Genie Palatine in chase, and Treford holding third place. Bootless, last of the party leaving the gate, was in fifth place as the back stretch was reached, and he was just showing the way to Black Boo, which appeared decidedly at a disadvantage with this sort of company.

Her Reigh was unable to get free of Genie Palatine and this forced him to provide a rather stiff pace to shake off the Denemark filly.

AVOID PACE.

Treford, Brown Twig and Bootless were avoiding the pace and as they challenged going to the final turn both of the leaders fell prey, permitting Treford to show the way for a brief space. Bootless, moving up on the outside, soon caught the T. H. Somerville gelding and going past smoothly in mid-stretch was under a mild reserve through the final eighth.

Juveniles as usual opened the sport for the afternoon and brought a surprise with the decision of the contest, in which eleven youngsters were under silks, when Stage Beauty, a first-time starter from the C. T. Grayson barn and coupled with Happy Chase, sped to a front-running victory. Ridden by C. Griggs to dominate all the running, the daughter of Strolling Player and Modification reached the close of the four and a half furlongs sprint one length in advance of Mrs. D. A. Buckley's Heraldic, while the better fancied Low Cuts was third for E. K. Bryson when he took the measure of Micro.

Home-bred sprinters of cheap grade met for honors in the second race and it provided H. Kerr's veteran, Bally Bay, with his first score in over a year when he took the lead at the start for a front running and unexpected triumph. This race was at six furlongs and it saw outsiders also dividing second and third when Wandrel landed in second position and Trostar captured the short end of the spoils from the disappointing favorite, Acautaw.

SEVEN FILLIES COMPETE.

Seven three-year-old fillies were engaged for the Prospect, a test of six furlongs under allowance conditions that was the second best offering on the card and it produced a thrilling contest in which Lady Maryland, from the locally-owned Mrs. R. H. Heighe stable, scored a surprise victory. Leading from start to finish the daughter of Sir Greysteel, under a hustling ride by Peters, never better than a head in front at any stage of the journey, reached the line to score at the immediate expense of K. E. Hitt's Care For in the slow time of 1:14⅘. Third went to My Elsie with Aero well in advance of the two others that finished when Graceful Flight was left at the gate.

Jockey Maurice Peters was seen aboard his second winner when he drove Jay McNamara's veteran seven-year-old mare, Flying Dere, to a sensational victory in the mile and seventy yards race for ordinary platers that was fourth. In this ten were under colors and the finish was so close that the camera had to be used. Icy Wind earned second place honors, suffering defeat in the last strides after setting the pace from the gate, while third fell to Felwyn, when she finished a head away from the fighting pair and just a length and one-half in advance of Goldspray, which led the others.

WILL HELP TRAIN GERALD

PLANNING AURORA CAMPAIGN

(Continued from first page.)

track. The Winters stable, partly through the efforts of Senor Marrero, won fourteen races at the Fair Grounds, ranking fourth in that respect and fifth in purse winnings.

Marrero couldn't understand a word of English when he began riding in this country, and when starter Johnny Morrissey gave him orders in the starting gate they had to use another Cuban saddle ace, Charles Mojena, for an interpreter. Mojena likewise will be in action at Aurora, for unless he comes here neither Morrissey nor Marrero will be able to understand each other.

Hauer needs no introduction to Chicago racing fans, for he came to the front with a rush at the close of last season. He is under contract to Clarence Davison, who has developed more than his share of leading riders in recent years. Both Eddie Arcaro and Paul Keester started with Davison, and the Illinois turfman believes that Hauer will be just as good as they were.

OPERATE ON DAVE HURN

ARLINGTON, Texas, April 19.—Mrs. Dave Hurn's Red Hay, which went amiss, was excused from filling his engagement in the fourth race today. Dave Hurn, his trainer, who has been undergoing treatment for stomach trouble in a local hospital, underwent an operation this morning.

LITTLE MIRACLE BEST

(Continued from first page.)

showed becoming courage when he led home Mrs. Ethel D. Jacobs' Johnnie Dear, which had a thorough seasoning in Florida, and Spanish Fly, from the Orienta Stable, gained some ground to take third from Petit Fours, and the only other starter was Dohoev.

MONUMENT GRADUATES.

The second offering was a six furlongs dash for maidens and it brought the graduation of Mrs. Ethel D. Jacobs' three-year-old Monument, when he won by a wide margin over Mrs. William Ziegler, Jr.'s Belle Elan, and third went to Victor Emanuel's Dark Beau. Halo was the one to show the way in the early stages, with Shantime and Monument followering her closely until the turn out of the back stretch, where she began to weaken, and Monument raced by on the outside. Stout took no chances and as the Flagpole colt took the lead he hustled him right along until crossing the line he had established a wininng margin of eight lengths.

There came a "double" for the Mrs. Ethel D. Jacobs silks when Mauritius earned a close camera decision in the mile and seventy yards of the fifth race. S. V. Houk's Van Nuys and G. N. McNaughton's Chilca took third. The start in this was the worst of the meeting, and only three of the six horses had a chance, and they were the ones which divided the purse. Patti broke out from her stall and Starwick went in the air, while L'Etoile was the other which did not get away.

Arcaro had Mauritius away in stride and Chilca followed him with this order prevailing all the way. Barba rated Chilca along but made no serious move until the stretch was reached; as he moved he was challenged by Van Nuys. In the run home Chilca was in close quarters between the other two horses, and Arcaro plainly outrode both Rose and Barba to keep Mauritius at his task. The son of Gallant Fox was weakening badly, but his head was still in front, while Chilca was beaten two lengths for the place by Van Nuys. After the finish a claim of foul was lodged by Barba, who charged that Rose rode him close at the finish, but the claim was not allowed.

At the end of the card was the first mile and a furlong race of the meeting, and it went to Last Romance, from the H. F. Carr stable, making her the first two-time winner of the meeting. She won over Mrs. Ethel D. Jacobs' Glittering by six lengths, and old Moralist had no trouble saving third from galloping.

wonderful opening unless the weather should misbehave beyond reason. Sports lovers of the Blue Grass turned out in large numbers Saturday, and the eleven-day meeting got under way at full speed. While Preeminent carried the Headley colors to victory in the featured Phoenix Handicap, much interest was shown in the performances of such Kentucky Derby candidates as Black Look, White Tie, and Chigre, with the first named colts winning over the six furlongs distance in impressive fashion. Both were making their first starts of the season and they came away in the stretch in a manner to suggest that longer distances will not be beyond their capabilities, but whether they can handle the Derby route of a mile and one-quarter is yet to be questioned. Other Derby candidates trained in that section of the country are due for early engagements, particularly the Bradley pair of Brooklyn and Billionaire, so the importance of the Keeneland meeting is not confined to that particular locality.
